Voter Information Pamphlet – Sonoma County Sample Ballot

CANDIDATE STATEMENT

- Statements of Qualifications are optional and, unless otherwise determined by the governing body, are printed at the expense of the candidate. Candidates who are required to prepay the estimated cost will be either billed for the additional cost or refunded any overpayment following the election. Estimated costs for Statements of Qualifications are based on the printer's price list from the last election. Run charges are estimated at 1/4 page in the Voter Information Pamphlet, printed in each booklet for the jurisdiction. The number of booklets ordered is estimated at current registration + 15% to allow for rounding off and multiple ballot types. Estimates are based on four candidates sharing the cost of a single page. **Actual costs may vary substantially from the estimate, depending on the number of candidates in a particular contest.** Run charges and set-up fees will be prorated among the candidates for a particular contest. If the number of candidates submitting statements is not evenly divisible by four, and the statement cannot be printed with any others, **run charges and page set-up fees can be as much as four times the estimate.** Estimates are for statements not exceeding 200 words unless noted. If a governing body, prior to the date nominations open, opts to increase the number of words allowed to not exceed 400, the estimated cost will be double the estimate listed.
- A candidate may opt to have his or her statement translated into, and printed in, Spanish, in addition to having his or her statement printed in English. The cost of having a statement printed in both English and Spanish is approximately \$100 more than twice the cost of a statement printed in English only.
- The body of the statement (not including name, age and occupation) shall not exceed 200 words (unless increased to not exceed 400 words by the governing body). Words shall be counted pursuant to Elections Code §9.
- Statements must be submitted on, or attached to, the form provided. Statements must be typewritten and single-spaced in a block paragraph style. Words in all capitals, indentions, italics, underlines, stars, dots, etc., are prohibited. Lists and enumerations will be wrapped as a single paragraph. Multiple single sentence paragraphs that do not fit in the space will be wrapped. Indented text, if submitted, will be run together as a sentence. The elections official is not responsible for the correct typesetting of statements that must be reconfigured to comply with these guidelines.
- Statements for candidates for judicial office shall be limited to a recitation of the candidate's personal background and qualifications, and shall not, in any way, make reference to other candidates for office or to another candidate's qualifications, character or activities.
- Statements shall be written in the first person (e.g., "I am running.." not "She is running.." or "Jane Doe is running..") and shall be limited to a recitation of the candidate's personal background and qualifications. Each statement shall be accompanied by a declaration executed under penalty of perjury, declaring that the information contained therein is true and correct.
- Statements will be printed in random alphabet order unless repositioned due to space considerations. Statements do not rotate.

FILING INFORMATION

- Statements shall be filed with the county elections official when nomination papers are returned for filing, or in the case of an election for which nomination papers are not required (i.e., run-off election) no later than the 88th day prior to the election.
- Statements shall remain confidential until the expiration of the filing deadline for nomination papers for the office. Statements may be withdrawn, but shall not be changed (except as specifically required by the elections official), until 5 p.m. the next regular business day following the close of nominations for such office.
- Statements are subject to examination and challenge by any voter of the jurisdiction (Elections Code §13313) for a period of 10 calendar days following the close of filing for each such office.

I own and operate my own business, so I am well aware of the need to operate within a budget. With proper distribution of resources and educational materials I am convinced we can offer quality education to all students within the district.

I have been active in the P.T.A., served on the Save Our Youth committee, and am an active member of the All-Faith Church. I have served as Boy Scout Den Mother and Girl Scout Leader for the past 3 years. I also serve as a volunteer at the Community Recycling Center as time allows.

Chapter 5. Fair Campaign Practices

Article 1. General Intent

20400. *The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.*

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Article 2. Definitions

20420. *As used in this chapter, "Code" means the Code of Fair Campaign Practices.*

Article 3. Code of Fair Campaign Practices

20440. *At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official, shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.*

In the case of a committee making an independent expenditure as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

20441. *The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.*

20442. *The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.*

20443. *Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.*

Dear Candidate or Committee Member:

As a candidate or campaign worker for either an office or a ballot measure, this reminder about State law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act authorizes the placing of “temporary political signs” separate and apart from the normal outdoor advertising display controls. No such political signs, however, may be placed within the right-of-way of any highway or within 660 feet of the edge of and visible from the right-of-way of a landscaped freeway.

TEMPORARY POLITICAL SIGNS ARE SIGNS WHICH MEET THE FOLLOWING CRITERIA:

- A. Encourages a particular vote in a scheduled election.
- B. Is placed not sooner than 90 days prior to the scheduled election and is removed within 10 days after that election.
- C. Is no larger than 32 square feet.
- D. Has had a Statement of Responsibility filed with the Department certifying a person who will be responsible for removing the sign.

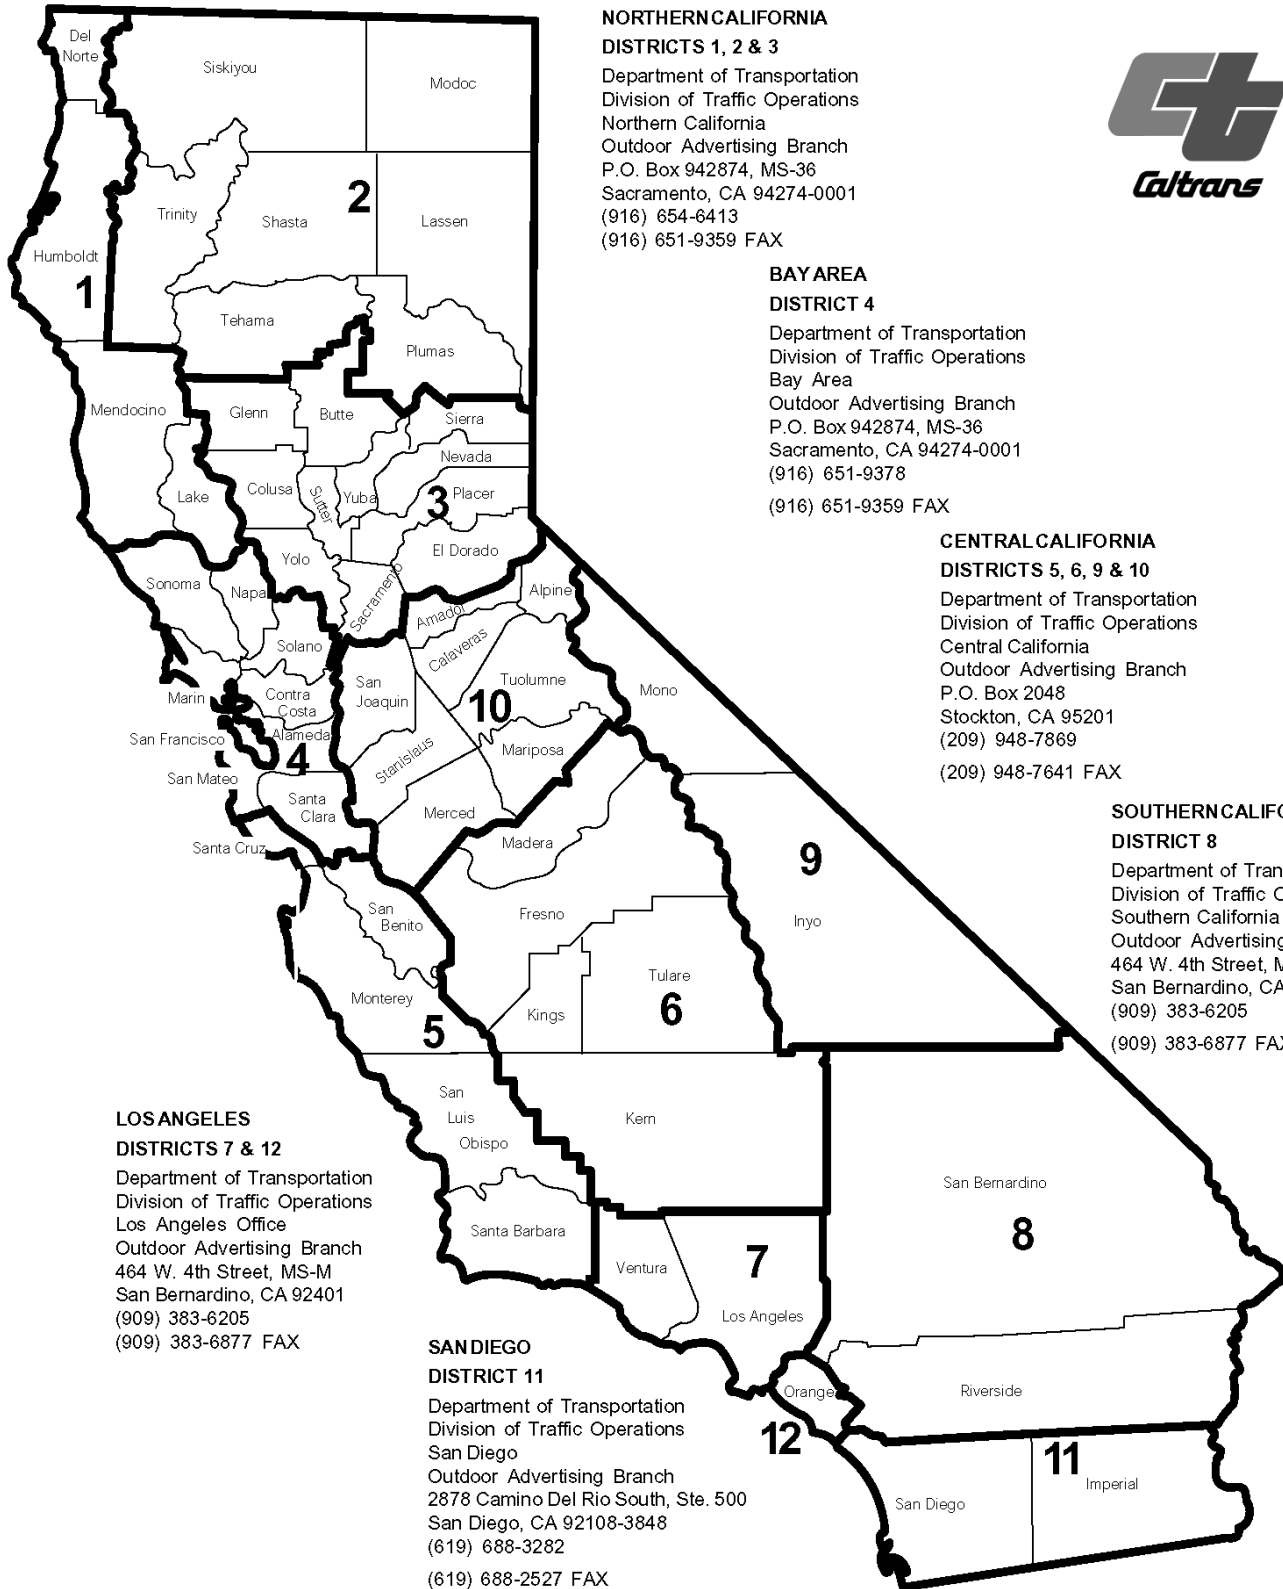

A Statement of Responsibility form is available from your county elections official.

Please pass this information along to those assisting in your campaign and complete and return the Statement of Responsibility form to the appropriate district office located on the map that follows. We will gladly answer any questions regarding the form.

Because the law directs the Department of Transportation to remove signs that do not comply with the regulations before an election and to bill the responsible party for the removal costs after the election, we are calling these provisions to your attention to avoid possible embarrassment to you and your supporters.

Mail Statements of Responsibility to the appropriate district office: (see map for location of offices)

Mail to Caltrans District Office according to THE COUNTY LOCATION of the display.

ABSENTEE BALLOT INFORMATION

Who May Vote By Absentee Ballot?

Any registered voter who requests an absentee ballot in writing may vote by absentee ballot.

E.C. §§3001, 3003

Permanent Absentee Voter Information ▶ Any voter may apply for permanent absent voter status. A voter will lose his or her permanent absent voter status if he or she does not return an absent voter ballot in two consecutive statewide general elections.

E.C. §§3201, 3206

Mailed Ballot Precinct Information ▶ Although technically not “Absentee Voters,” voters who reside in a precinct that has fewer than 250 registered voters 88 days prior to an election may be declared to be in a “mailed ballot precinct.” When this occurs all voters in that precinct will automatically be mailed an absentee ballot; **no application is necessary**. Because of the increasing number of jurisdictions with overlapping boundaries that hold elections at the same time, the number of mailed ballot precincts has increased. Voters should check the back of their Sample Ballots to see if they are in a mailed ballot precinct as these precincts change from one election to another.

E.C. §3005

What Information Must Be Provided to Obtain an Absentee Ballot?

To obtain an absentee ballot, voters must apply in writing to the local elections official. As required by law, an application for an absentee ballot is always included in the Sample Ballot sent to each voter in the county, prior to each election; however no application form is necessary. A voter may write a note requesting an absentee ballot to the local elections official. The request shall contain the following:

1. the voter’s printed name
2. the voter’s **residence** address
3. the mailing address to which the voter wants the absentee ballot sent
4. the name and date of the election for which the voter is applying
5. the voter’s **signature**

When to Apply for an Absentee Ballot

Elections officials process applications and mail absentee ballots during the period 29–7 days prior to an election. A voter may submit an application prior to this time, but the elections official will hold it until the 29th day. Applications for absentee ballots **that are to be mailed to the voter** cannot be processed if received less than 7 days prior to an election. Absentee ballots are available in the Registrar of Voters Office until 8 p.m. on Election Day.

E.C. §3001

Distributing Applications for Absentee Ballots

Any candidate, group of candidates, ballot measure committee or other political organization that intends to conduct an absent voter drive, should note the following information regarding distribution of applications for absentee ballots. Before you do anything, contact your local elections official.

ABSENTEE BALLOT INFORMATION, CONT.

Uniform Absentee Voting Application

The Secretary of State has prepared a uniform application format for an absentee ballot for use by all individuals, organizations and groups distributing absentee ballot applications. Failure to conform your application with the uniform format is a misdemeanor. A master absentee ballot application form will be provided by the Registrar of Voters Office, 435 Fiscal Dr., Santa Rosa, CA 95403.

Important Information

- To ensure accuracy, the voter should fill out all the information on the application; however, the following information may be preprinted on the application form
 1. the voter's name and residence address as they appear on the voter's affidavit of registration
 2. the name and date of the election for which the absentee ballot is being requested
 3. the deadline date by which the application must be received by the elections official
- There is a separate section of the form to indicate a mailing address if the voter wishes to receive his or her ballot at an address other than his or her residence address. This information **may not** be preprinted and may only be completed by **the voter**. The mailing address to which an absentee ballot is requested to be sent may not be the address of any political party, political campaign headquarters, or a candidate's residence. This provision does not apply to a candidate, or to a candidate's immediate family or housemates who request that an absentee ballot be mailed to the candidate's residence address.
- The voter must **personally** affix his or her signature.
- Any application containing preprinted information shall contain the following statement (verbatim) printed conspicuously on the form:

You have the legal right to mail or deliver this application directly to the local elections official of the county where you reside.
- The name, address and telephone number of any organization, individual or group that authorizes the distribution of applications shall be printed on the application.
- Any individual, organization or group that distributes applications for absentee ballots and receives completed application forms shall deliver the forms to the appropriate elections official **within 72 hours** of receipt. It is a crime to delay the return of an absentee ballot application.
- Absentee ballot applications provided by a group or organization shall be sent by nonforwardable mail.
- Any individual, group or organization that knowingly distributes any application for an absentee ballot that does not conform to the state requirements is guilty of a misdemeanor.
- Voters who use an absentee ballot application provided by an individual, group or organization must attest to the truth and correctness of the contents and sign under penalty of perjury.
- The absentee ballot application must contain information regarding permanent absentee voter status.
- The size of the uniform format approved by the Secretary of State is 8 ½" x 5 ½".

Absentee Ballot Counting

Voted absentee ballots may be processed beginning 7 days prior to an election, but no results may be released until 8 p.m. election night. Partial absentee results are the first results announced on election night.
