CANDIDATE STATEMENT

- Statements of Qualifications are optional and, unless otherwise determined by the governing body, are printed at the expense of the candidate. Candidates who are required to prepay the estimated cost will be either billed for the additional cost or refunded any overpayment following the election. Estimated costs for Statements of Qualifications are based on the printer's price list. Run charges are estimated at 1/4 page in the Voter Information Pamphlet, printed in each booklet for the jurisdiction. The number of booklets ordered is estimated at current registration + 15% to allow for rounding off and multiple ballot types. Estimates are based on four candidates sharing the cost of a single page. **Actual costs may vary substantially from the estimate, depending on the number of candidates in a particular contest.** Run charges and set-up fees will be prorated among the candidates for a particular contest. If the number of candidates submitting statements is not evenly divisible by four, and the statement cannot be printed with any others, **run charges and page set-up fees can be as much as four times the estimate.** Estimates are for statements not exceeding 200 words unless noted. If a governing body, prior to the date nominations open, opts to increase the number of words allowed to not exceed 400, the estimated cost will be double the estimate listed.
- A candidate may opt to have his or her statement translated into, and printed in, Spanish, in addition to having his or her statement printed in English. The cost of having a statement printed in both English and Spanish is approximately \$100 more than twice the cost of a statement printed in English only.
- The body of the statement (not including name, age and occupation) shall not exceed 200 words (unless increased to not exceed 400 words by the governing body). Words shall be counted pursuant to Elections Code §9.
- Statements must be submitted on, or attached to, the form provided. Statements must be typewritten and single-spaced in a block paragraph style. Words in all capitals, indentions, italics, underlines, stars, dots, etc., are prohibited. Lists and enumerations will be wrapped as a single paragraph. Multiple single sentence paragraphs that do not fit in the space will be wrapped. Indented text, if submitted, will be run together as a sentence. The elections official is not responsible for the correct typesetting of statements that must be reconfigured to comply with these guidelines.
- Statements for candidates shall be limited to a recitation of the candidate's own personal background and qualifications, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities.
- Statements shall be written in the first person (e.g., "I am running..." not "She is running..." or "Jane Doe is running...") and shall be limited to a recitation of the candidate's personal background and qualifications. Each statement shall be accompanied by a declaration executed under penalty of perjury, declaring that the information contained therein is true and correct.
- Statements will be printed in random alphabet order unless repositioned due to space considerations. Statements do not rotate.

FILING INFORMATION

- Statements shall be filed with the county elections official when nomination papers are returned for filing, or in the case of an election for which nomination papers are not required (i.e., run-off election) no later than the 88th day prior to the election.
- Statements shall remain confidential until the expiration of the filing deadline for nomination papers for the office. Statements may be withdrawn, but shall not be changed (except as specifically required by the elections official), until 5 p.m. the next regular business day following the close of nominations for such office.
- Statements are subject to examination and challenge by any voter of the jurisdiction (Elections Code §13313) for a period of 10 calendar days following the close of filing for each such office.

I own and operate my own business, so I am well aware of the need to operate within a budget. With proper distribution of resources and educational materials I am convinced we can offer quality education to all students within the district.

I have been active in the P.T.A., served on the Save Our Youth committee, and am an active member of the All-Faith Church. I have served as Boy Scout Den Mother and Girl Scout Leader for the past 3 years. I also serve as a volunteer at the Community Recycling Center as time allows.

PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES

as found In Chapter 5 of Division 20 of the California Elections Code

Chapter 5. Fair Campaign Practices

Article 1. General Intent

20400. *The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.*

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Article 2. Definitions

20420. *As used in this chapter, "Code" means the Code of Fair Campaign Practices.*

Article 3. Code of Fair Campaign Practices

20440. *At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.*

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

20441. *The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.*

CAMPAIGN DISCLOSURE REQUIREMENTS

The Political Reform Act of 1974 requires all candidates for state and local elective office, all state and local elected officeholders, proponents of state and local ballot measures who control a ballot measure committee, and committees supporting or opposing state and local candidates, and all measure committees, to file campaign disclosure statements disclosing contributions received and expenditures made.

It is the responsibility of the candidate and or committee to be aware of and to file the required campaign disclosure statements in a correct and timely manner. **Government Code §91013 provides for a late filing fine of \$10 per day for the late filing of any campaign disclosure statements after the deadline until the statement or report is filed.**

CAMPAIGN FILING OBLIGATIONS

Except as noted below, an individual who intends to be a candidate for an elective office must file Form 501. Please see instructions on the Form 501 for the filing requirements. For State Candidates, Form 501 is filed with the Secretary of State. Local Candidates file with the appropriate local filing officer for their jurisdiction.
G.C. §85200 et seq.

FORM 501–Candidate Intention Statement ▶ This statement must be filed **before** a candidate solicits or receives **any** contributions (including loans) from others or **before any** expenditures are made from personal funds on behalf of his/her candidacy, excluding personal funds used to pay filing fees and/or fees for Statements of Qualifications.

G.C. §85200

Exception: Form 501 is not required to be filed by candidates who do not intend to receive **any** contributions or loans, **and** the **only** expenditures from personal funds would be for payment of the filing fee and Statement of Qualifications. Form 501 is not used to obtain a Committee Identification Number.

FORM 410–Statement of Organization ▶ In addition to the above mentioned form, a Form 410 must be filed with the Secretary of State's Office to obtain a Committee Identification Number. Form 410 must be filed if a candidate or committee receives contributions (including loans) totaling \$1,000 or more in a calendar year. This statement **must** be filed within 10 days of receiving \$1,000 in contributions. **All** personal funds and/or contributions or loans made to the candidate, to a person on behalf of the candidate, or to the candidate's controlled committee shall be deposited in a campaign bank account **prior** to expenditure. **All** campaign expenditures shall be made from the account. For more details, refer to Campaign Disclosure Manual 2 for Local Candidates and their Controlled Committees.

G.C. §84101

FORM 470–Officeholder/Candidate Campaign Statement–Short Form ▶ Candidates for office who expect to receive or spend less than \$1,000 during the election and who do not have a controlled committee may file a Form 470 with their Declaration of Candidacy (or no later than the filing deadline for the first pre-election campaign statement).

Additionally, you must file a copy of Form 410 along with an original and one copy of the final campaign statement (Form 460) with the appropriate filing officer.

There is no deadline for terminating a committee controlled by a local candidate or officeholder unless the controlling candidate/officeholder becomes a state officeholder (in which case, refer to the FPPC Information Manual for State Candidates (Manual 1) for termination requirements). Primarily formed committees also do not have a deadline to terminate. However, the committee, by its nature, may need to change its committee status if it remains open after the election.

CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

BE INFORMED: *The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.*

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements, some identified in audit reports, are provided here:

- Even unopposed candidates are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$1,000 or more during a calendar year.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California and report it on a Form 410.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Filing fees and candidate statement fees may be paid in cash if the candidate is using personal funds and will not be reimbursed through the committee. (Gov. Code §85200) Otherwise, campaign disclosure laws require that expenditures of \$100 or more be made by written instrument containing the names of both the payee and payer. (Gov. Code §84300)
- Never accept or spend \$100 or more in cash.
- For contributions of \$100 or more, including loans, and in-kind contributions, you must disclose the contributor's name, address, occupation and employer. Contributions of \$100 or more may not be made in the form of a money order or cashier's check. Contributions may continue to be made with a credit card. (Gov. Code §84300)
- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$1,000. Refer to recordkeeping guidelines in Manual 2.
- Make copies of all contributor checks.
- Candidates must disclose employer information for all contributors and keep all records of occupation and employer information.
- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes.
- The source for each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page.
- As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed.
- If \$1,000 or more (\$500 or more for local county candidates) is received from one contributor during the last 16 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.

Dear Candidate or Committee Member:

As a candidate or campaign worker for either an office or a ballot measure, this reminder about State law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act authorizes the placing of “temporary political signs” separate and apart from the normal outdoor advertising display controls. No such political signs, however, may be placed within the right-of-way of any highway or within 660 feet of the edge of and visible from the right-of-way of a landscaped freeway.

TEMPORARY POLITICAL SIGNS ARE SIGNS WHICH MEET THE FOLLOWING CRITERIA:

- A. Encourages a particular vote in a scheduled election.
- B. Is placed not sooner than 90 days prior to the scheduled election and is removed within 10 days after that election.
- C. Is no larger than 32 square feet.
- D. Has had a Statement of Responsibility filed with the Department certifying a person who will be responsible for removing the sign.

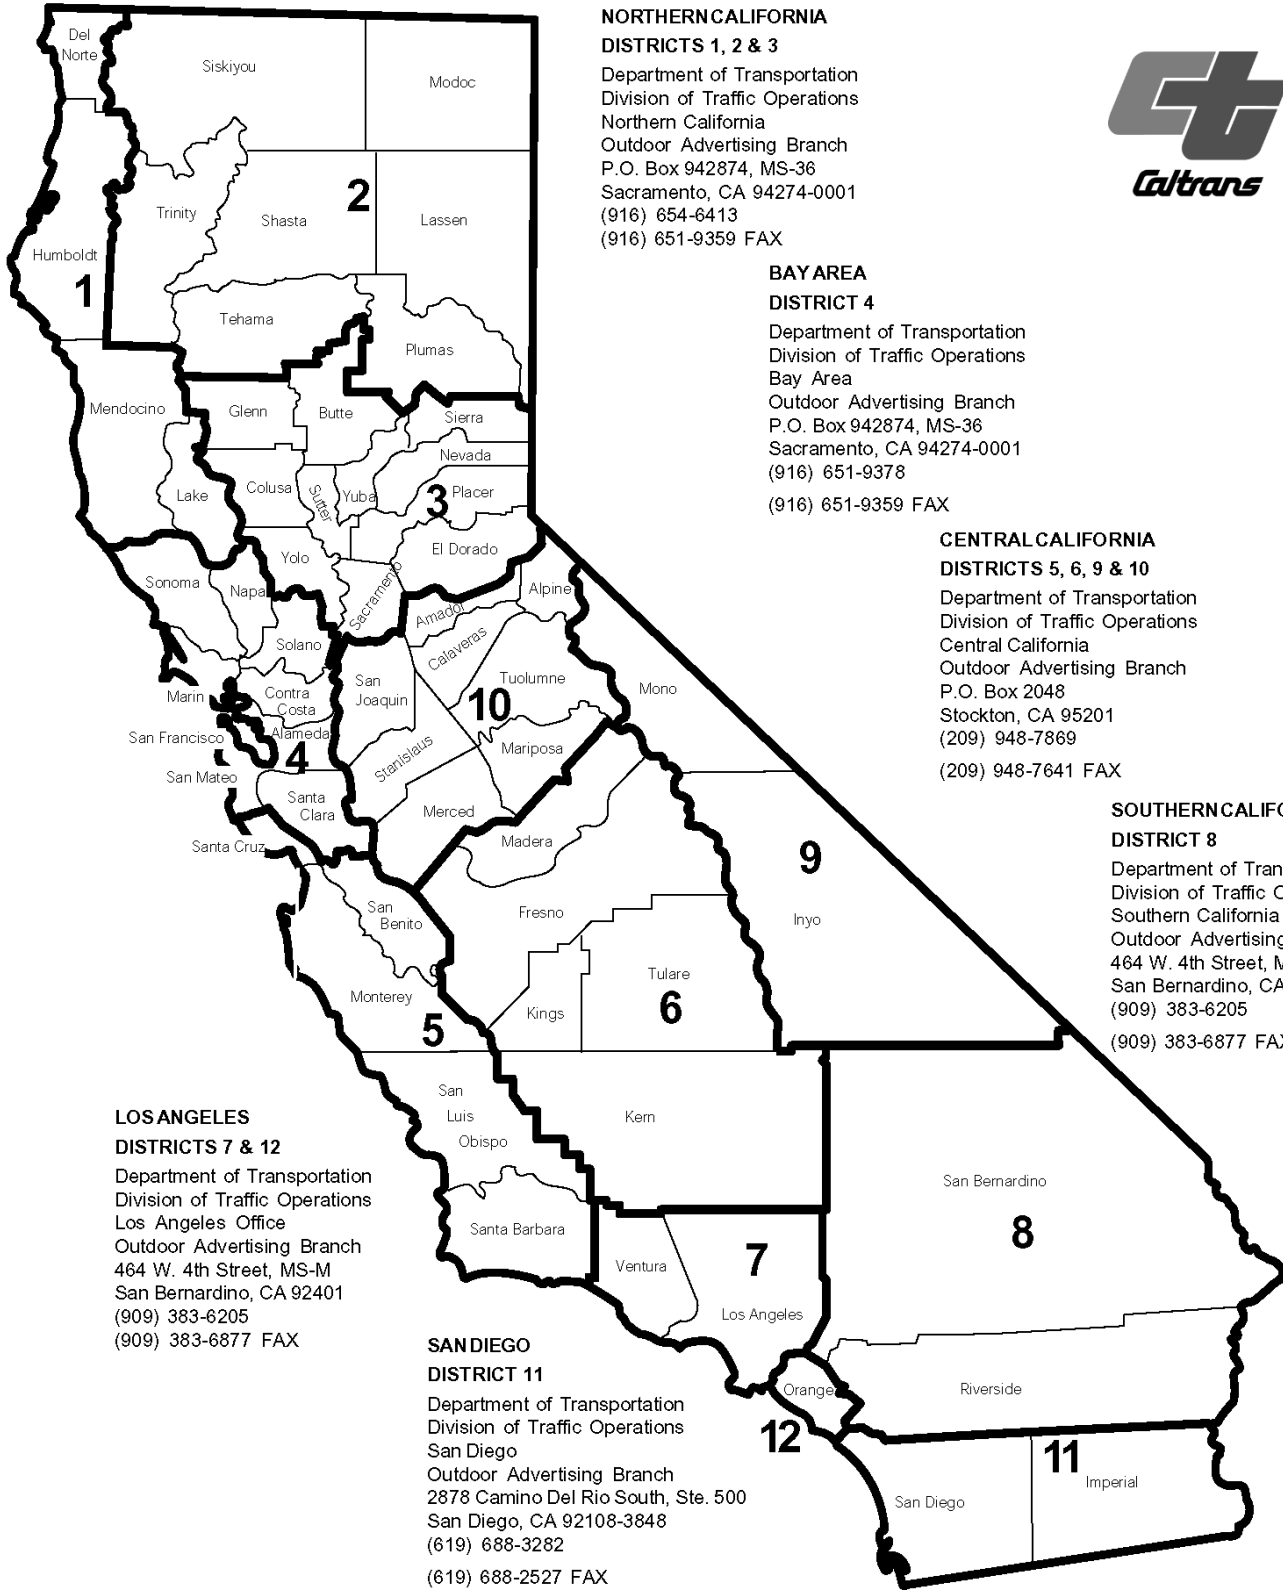

A Statement of Responsibility form is available from your county elections official.

Please pass this information along to those assisting in your campaign and complete and return the Statement of Responsibility form to the appropriate district office located on the map that follows. We will gladly answer any questions regarding the form.

Because the law directs the Department of Transportation to remove signs that do not comply with the regulations before an election and to bill the responsible party for the removal costs after the election, we are calling these provisions to your attention to avoid possible embarrassment to you and your supporters.

Mail Statements of Responsibility to the appropriate district office: (see map for location of offices)

Mail to Caltrans District Office according to THE COUNTY LOCATION of the display.
