**STATEMENT OF QUALIFICATIONS**  
**For Local Nonpartisan Offices**  
**Voter Information Pamphlet — Sonoma County Sample Ballot**

**CANDIDATE STATEMENT**

- Statements of Qualifications are optional and, unless otherwise determined by the governing body, are printed at the expense of the candidate. Candidates who are required to prepay the estimated costs will either be billed for the additional costs or refunded any overpayment following the election. Estimated costs for Statements of Qualifications are based on the printer's price list, set-up fees and the number of registered voters within the jurisdiction. Estimates are for statements not exceeding 200 words. Final costs will be determined by the number of candidate statements, including English and Spanish, that are submitted for an individual office. If the number of candidate statements submitted is not evenly divisible by four, and the statement cannot be printed with any others, the run charges and set up fees are increased. These charges are prorated among the candidates for a particular contest. Candidates are required to submit a check with "not to exceed" the highest possible cost for 1 (or 2 Statements of Qualifications if filing Spanish), written under the amount line, (Elections Code §13307(c)). All checks will be held until after the final deadline to withdraw a candidate statement.
- A candidate may opt to have his or her statement translated into, and printed in, Spanish, in addition to having his or her statement printed in English. The cost of having a statement printed in both English and Spanish is approximately \$100 more than twice the cost of a statement printed in English only.
- The body of the statement (not including name, age and occupation) shall not exceed 200 words (unless increased to not exceed 400 words by the governing body). Words shall be counted pursuant to Elections Code §9.
- Statements must be submitted on, or attached to, the form provided. Statements must be typewritten and single-spaced in a block paragraph style. Words in all capitals, indentions, italics, underlines, stars, dots, etc., are prohibited. Lists and enumerations will be wrapped as a single paragraph. Multiple single sentence paragraphs that do not fit in the space will be wrapped. Indented text, if submitted, will be run together as a sentence. The elections official is not responsible for the correct typesetting of statements that must be reconfigured to comply with these guidelines.
- Statements for candidates shall be limited to a recitation of the candidate's own personal background and qualifications, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities.
- Statements shall be written in the first person (e.g., "I am running..." not "She is running..." or "Jane Doe is running...") and shall be limited to a recitation of the candidate's personal background and qualifications. Each statement shall be accompanied by a declaration executed under penalty of perjury, declaring that the information contained therein is true and correct.
- Statements will be printed in random alphabet order unless repositioned due to space considerations. Statements do not rotate.

**FILING INFORMATION**

- Statements shall be filed with the county elections official when nomination papers are returned for filing, or in the case of an election for which nomination papers are not required (i.e., run-off election) no later than the 88th day prior to the election.
- Statements shall remain confidential until the expiration of the filing deadline for nomination papers for the office. Statements may be withdrawn, but shall not be changed (except as specifically required by the elections official), until 5 p.m. the next regular business day following the close of nominations for such office.
- Statements are subject to examination and challenge by any voter of the jurisdiction (Elections Code §13313) for a period of 10 calendar days following the close of filing for each such office.

# GUIDELINES FOR PREPARING CANDIDATE'S STATEMENT OF QUALIFICATIONS

## For Local Nonpartisan Offices

**PREPARATION OF CANDIDATE'S STATEMENT** ▶ Shown below is a reduced facsimile of a Candidate's Statement of Qualifications form. Note that the first paragraph in the upper portion contains information as to the limitations on the number of words and the cost of printing and handling your statement. This portion of the form is to be completed by the officer issuing the form. The second paragraph contains check boxes for you to indicate whether you wish to have your statement printed in English only, or in English and Spanish. You should complete this portion and date and sign where indicated. The statement shown below has been typed, in upper and lower case, block paragraph form, and the candidate is not requesting a Spanish translation of her statement. She has corrected and initialed a typographical error (had the candidate not corrected this error it would have been typeset as submitted).

**CANDIDATE'S STATEMENT OF QUALIFICATIONS**  
(INSTRUCTIONS AND STATEMENT OF WITHDRAWAL ON THE REVERSE SIDE OF THIS FORM)

The governing body of your jurisdiction has determined that statements shall be limited to (200 400 ) words; the (candidate) jurisdiction) shall bear the cost of the statements and payment shall be required ( prior to / after ) the election. (Payments required in advance are to be made directly to the jurisdiction. Proof of payment will be required at the time the statement is filed). **The estimated cost of printing a 200 word statement for the office is between \$ \_\_\_\_\_ and \$ \_\_\_\_\_.** Estimates are based on four candidates sharing the cost of a single page. **If the number of candidate statements submitted is not evenly divisible by four, and the statement cannot be printed with any others, the run charges and set up fees increase. The charges are prorated among the candidates submitting statements for a particular contest.**

I hereby state that I prepared the following statement for printing and distribution in the Voter Information Pamphlet portion of the Sample Ballot in [  ] **ENGLISH ONLY** [  ] **ENGLISH AND SPANISH**. I understand that should I choose to have my statement printed in English and Spanish, the estimated cost of the statement will be double the estimate plus \$100. I understand the estimated cost of the statement will be double for 400 word statements.

I am running for the governing board of the Washington Unified School District because I feel I can bring a balance to the board. I attended local schools, graduating from Washington High School in 1985. I am married and currently have two children attending school in the district.

I own and operate my own business, so I am well aware of the need to operate within a budget. With proper distribution of resources and educational materials I am convinced we can offer quality education to all students within the district.

I have been active in the P.T.A., served on the Save Our Youth committee, and am an active member of the All-Faith Church. I have served as Boy Scout Den Mother and Girl Scout Leader for the past 3 years. I also serve as a volunteer at the Community Recycling Center as time allows.

I am looking forward to serving you on the Washington Unified School District Governing Board.

Thank your for your vote.

## **as found In Chapter 5 of Division 20 of the California Elections Code**

### **Chapter 5. Fair Campaign Practices**

#### **Article 1. General Intent**

**20400.** *The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.*

*It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.*

*The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.*

#### **Article 2. Definitions**

**20420.** *As used in this chapter, "Code" means the Code of Fair Campaign Practices.*

#### **Article 3. Code of Fair Campaign Practices**

**20440.** *At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.*

*In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.*

**20441.** *The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.*

**20442.** *The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.*

**20443.** *Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.*

**20444.** *In no event shall a candidate for public office be required to subscribe to or endorse the code.*

## CAMPAIGN DISCLOSURE REQUIREMENTS

The Political Reform Act of 1974 requires all candidates for state and local elective office, all state and local elected officeholders, proponents of state and local ballot measures who control a ballot measure committee, and committees supporting or opposing state and local candidates, and all measure committees, to file campaign disclosure statements disclosing contributions received and expenditures made.

It is the responsibility of the candidate and or committee to be aware of and to file the required campaign disclosure statements in a correct and timely manner. **Government Code §91013 provides for a late filing fine of \$10 per day for the late filing of any campaign disclosure statements after the deadline until the statement or report is filed.**

### CAMPAIGN FILING OBLIGATIONS

Except as noted below, an individual who intends to be a candidate for an elective office must file Form 501. Please see instructions on the Form 501 for the filing requirements. For State Candidates, Form 501 is filed with the Secretary of State. Local Candidates file with the appropriate local filing officer for their jurisdiction.

G.C. §85200 et seq.

**FORM 501–Candidate Intention Statement** ▶ This statement must be filed **before** a candidate solicits or receives **any** contributions (including loans) from others or **before any** expenditures are made from personal funds on behalf of his/her candidacy, excluding personal funds used to pay filing fees and/or fees for Statements of Qualifications. Exception: Candidates for county central committee offices that do not raise or spend \$1,000 or more in a calendar year.

G.C. §85200

**Exception:** Form 501 is not required to be filed by candidates who do not intend to receive **any** contributions or loans, **and the only** expenditures from personal funds would be for payment of the filing fee and Statement of Qualifications. Form 501 is not used to obtain a Committee Identification Number.

**FORM 410–Statement of Organization** ▶ In addition to the above mentioned form, a Form 410 must be filed with the Secretary of State's Office to obtain a Committee Identification Number. Form 410 must be filed if a candidate or committee receives contributions (including loans) totaling \$1,000 or more in a calendar year. This statement **must** be filed within 10 days of receiving \$1,000 in contributions. Include a \$50 payment made payable to the Secretary of State. Thereafter, the \$50 fee is due annually no later than January 15. In addition to the \$50 fee, a penalty of \$150 may be assessed if payment is late. **All** personal funds and/or contributions or loans made to the candidate, to a person on behalf of the candidate, or to the candidate's controlled committee shall be deposited in a campaign bank account **prior** to expenditure. **All** campaign expenditures shall be made from the account. Exception: A bank account is not required if a candidate will not receive contributions or make personal expenditures of less than \$1,000. The filing and statement of qualification fees are not included in calculating the \$1,000. For more details, refer to Campaign Disclosure Manual 2 for Local Candidates and their Controlled Committees.

G.C. §§84101, 84101.5

**FORM 470–Officeholder/Candidate Campaign Statement–Short Form** ▶ Candidates for office who expect to receive or spend less than \$1,000 during the election and who do not have a controlled committee may file a Form 470 with their Declaration of Candidacy (or no later than the filing deadline for the first pre-election campaign statement). The following individuals seeking or holding office are not required to file campaign disclosure statements (Form 470 or 460): candidates for county central committee offices that do not raise or spend \$1,000 or more in a calendar year; officeholders whose salaries are less than \$200 per month and judicial candidates who have not made or received contributions or made expenditures during non-election years; and judges who do not receive contributions and who make personal expenditures of less than \$1,000 or more in non-election years. State officeholders, state candidates, judges and judicial candidates must file the original and one copy with the Secretary of State Political Reform Division.

G.C. §§84206(a), (b), 84207

## CAMPAIGN DISCLOSURE REQUIREMENTS, CONT.

**FORM 470–Supplement** ▶ Any candidate who files a Form 470 and who subsequently has \$1,000 or more in receipts and/or expenditures prior to his/her election must send a notice to the Secretary of State, the local filing officer, if any, **and to all candidates for the same office**. This notice must be sent **within 48 hours**. Detailed information concerning the notice required is included on the Supplemental Form 470.

G.C. §84206(c)

**FORM 460–Recipient Committee Campaign Statement** ▶ Candidates for office who receive contributions or have expenditures of \$1,000 or more must file pre-election and semi-annual campaign statements during the year in which their election is being held. Please refer to the Campaign Filing Schedule in this guide for the actual filing periods covered by each statement.

The first pre-election campaign statement is due no later than **October 6, 2014**; the second pre-election campaign statement is due no later than **October 23, 2014**; and the semi-annual campaign statement must be filed no later than **February 2, 2015**. Please refer to the Campaign Filing Schedule for the actual filing periods covered by each statement.

G.C. §84200 et seq.

**Termination:** Once contributions and expenditures for a particular office cease, all funds are expended, the ending cash balance is \$0.00, and the bank account is closed, an original and one copy of Form 410 must be filed with the Office of the Secretary of State. Additionally, you must file a copy of Form 410 along with an original of the final campaign statement (Form 460) with the appropriate filing officer.

There is no deadline for terminating a committee controlled by a local candidate or officeholder unless the controlling candidate/officeholder becomes a state officeholder (in which case, refer to the FPPC Information Manual for State Candidates (Manual 1) for termination requirements). Primarily formed committees also do not have a deadline to terminate. However, the committee, by its nature, may need to change its committee status if it remains open after the election.

G.C. §84214  
FPPC Reg §18404

**Important Note:** Candidates and Committees are encouraged to visit the Fair Political Practices Commission website for information on new or revised rules and regulations [www.fppc.ca.gov](http://www.fppc.ca.gov)

## CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

**BE INFORMED:** The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures. The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements, some identified in audit reports, are provided here:

- Even unopposed candidates are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$1,000 or more during a calendar year.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California and report it on a Form 410.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Filing fees and candidate statement fees may be paid in cash if the candidate is using personal funds and will not be reimbursed through the committee. Otherwise, campaign disclosure laws require that expenditures of \$100 or more be made by written instrument containing the names of both the payee and payor. (Gov. Code §84300)
- Never accept or spend \$100 or more in cash (Gov. Code §84300(a),(b)).
- For contributions of \$100 or more, including loans, and in-kind contributions, you must disclose the contributor's name, street address, occupation and employer. (Gov. Code §84211(f),(g)) Contributions of \$100 or more may not be made in the form of a money order or cashier's check. Contributions may continue to be made with a credit card.
- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$1,000. Refer to recordkeeping guidelines in Manual 2.
- Make copies of all contributor checks.
- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes (Gov. Code §8314, Penal Code 426).
- The source for each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page. Payee street addresses must be disclosed on the campaign statements for expenditures made (Gov. Code §84211(k)).
- Open committees are required to file the necessary campaign finance disclosure statements, even if there is no activity, until terminated.
- When information contained in the committee's Statement of Organization changes, file an amendment within 10 days of the change with the Secretary of State and local filing officer (if applicable).
- All committees making or receiving contribution(s) that total in the aggregate \$1,000 or more during the last 90 days before the election, must disclose receipt within 24 hours, even if the contribution is from your personal funds.
- (County Candidates as per Ordinance 5798) If \$500 or more including contributions aggregated that are made to or received by a county candidate during the last 16 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.
- Any person who makes independent expenditures in support of or in opposition to a single candidate for elective office or a single ballot measure, which accumulate to one thousand dollars (\$1,000.00) or more during the 90 days immediately preceding the election in which the candidate or measure will be voted on shall file Form 496 within twenty-four (24) hours, each time an independent expenditure is made (Form 462 affirming the independent nature of the expenditure is required). Per Local Ordinance 5798 – Committees supporting or opposing any County candidate are required to file 24 hour independent expenditure reports during the local election cycle.

Any registered voter who requests a Vote by Mail ballot in writing may vote by mail.

E.C. §§3001, 3003

**Permanent Vote by Mail Voter Information** ▶ Any voter may apply for permanent Vote by Mail status. A voter will lose his or her permanent Vote by Mail status if he or she does not return a Vote by Mail ballot in four consecutive statewide general elections.
