

Language Assistance and Polling Places

In this year's elections, some polling places will have translated facsimile ballots that voters may use as a reference when voting. The polling places that will have them are determined by the Secretary of State. To find out if your polling place will have a translated sample ballot, please see the list below. To request a translated facsimile ballot be sent to you before Election Day, call our office or [Click here to send an email requesting a facsimile ballot](#). Requests must be received no later than 7 days before Election Day.

If you need assistance when voting, you may bring up to two people with you to your polling place, as long as they are not representatives of your employer or your union. Bring a family member or friend.
