

Amendment #1 – RFP for Housing Quality Standards Inspections  
Response to Clarifying Questions

1. Question: What software is Sonoma County currently using, and is Sonoma County fully utilizing the inspections module?  
Response: The Sonoma County Housing Authority is currently using MRI, HAPPY software and fully utilizes the inspections module.
2. Question: Is Sonoma County seeking inspections administrative services in conjunction with inspections (i.e.: scheduling, sending notices, providing call center services)?  
Response: The Sonoma County Housing Authority is not seeking administrative services in conjunction with inspections.
