

## **Before Starting the Project Listings for the CoC Priority Listing**

**The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.**

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHDP Renewal; and
- YHDP Replacement and Reallocation.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all CoC project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved and are not ranked per the FY 2024 - FY 2025 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHDP Renewal Project Listing (All Rounds); and
- YHDP Replacement and Reallocation Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in Calendar Year 2025 into one or more new projects? Yes

### Alert:

As stated in the FY 2024 - FY 2025 CoC Program Competition NOFO:

- CoCs may reallocate YHDPs project from any Round to create new YHDP projects, so long as the project eliminated or reduced has renewed during the CoC Program Competition at least once.

Reallocated YHDP funding can ONLY be used to create new YHDP projects.

- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking who qualify under the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act.

### 3. Reallocation - Grant(s) Eliminated

CoCs reallocating eligible CoC, DV Renewal or YHDP renewal project funds to create new project application(s) – as detailed in the FY 2024 - FY 2025 CoC Program Competition NOFO – may do so by eliminating one or more expiring eligible projects.

CoCs that are eliminating eligible CoC, YHDP and DV Renewal projects must identify the funding source for those projects on this form.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.

### 3. Reallocation - Grant(s) Eliminated Details

**Instructions:**

For guidance on completing this form, please reference the FY 2024 CoC Priority Listing Detailed Instructions and FY 2024 CoC Priority Listing Navigational Guide on HUD's website. [https://www.hud.gov/program\\_offices/comm\\_planning/coc/competition](https://www.hud.gov/program_offices/comm_planning/coc/competition).

**3-1 Complete each of the fields below for each eligible renewal grant that is being eliminated during the reallocation process. Refer to the FY 2024 Grant Inventory Worksheet to ensure all information entered is accurate.**

**Eliminated Project Name:** RRH for Vulnerable Survivors of DV  
**Grant Number of Eliminated Project:** CA1745L9T042305  
**Eliminated Project Component Type:** PH-RRH  
**Funding Type:** DV Renewal  
**Eliminated Project Annual Renewal Amount:** \$271,008

**3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 2500 characters)**

CoC staff met several times with the YWCA Sonoma County regarding their RRH for Vulnerable Survivors of DV project. The provider, within the last year and a half, continued to have issues finding qualified staff to run the project. During the annual site visits, staff had asked about their spending and if they wanted to reallocate some or all of the funding. They had just hired a qualified staff member and were certain they would be able to spend down the grant and serve participants in the project. After being trained, that staff member left the organization.

After several attempts to hire new staff that ended up leaving, the provider determined the best path forward was to give up the grant. CoC Staff met with the local HUD Field Office and a HUD SNAPS representative to determine the options to move forward. CoC staff looked into transferring the grant and provided the option to the recipient to another DV provider. The option was presented to transfer the grant during the competition and have the YWCA apply in e-snaps while the field office worked on a grant transfer, which would have taken several months. There were no individuals actively housed or being served by the project.

After several meetings, the YWCA determined that the process of reallocating the grant was in their best interest and would allow for a new project to apply for the available funding during this funding competition.

## 4. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible CoC Renewal, DV Renewal and YHDP Renewal project funds to create new project applications – as detailed in the FY 2024 - FY 2025 CoC Program Competition NOFO – may do so by reducing one or more expiring eligible renewal projects. CoCs reducing eligible renewal projects must identify the funding source for those projects on this form.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.
